Protection against the spread of the coronavirus

COVID-19, also known as the coronavirus is an infection disease.
So please help to prevent the spread!

Important!

Do any of these points apply to you?

☑ You have symptoms of an influenza (e.g. fever, cough, difficulty breathing).

☑ You have diarrhoea and/or headache.

☑ You have had personal contact with someone who has been tested positive for the coronavirus or is suspected of having been infected by the virus.

Please inform us, before you enter the medical practice!

Call our number

and we will talk about the further procedure.
Thank you for understanding!
